SENATOR CAVANAUGH: I move the E & R amendments to LB 513

PRESIDENT: The motion is to adopt the E & R amendments to LB 513. All those in favor of his motion please say aye. Those opposed say no. The amendments are adopted.

SENATOR CAVANAUGH: I move that 513 as amended be advanced to E & R Engrossing.

PRESIDENT: The motion now is to advance LB 513 as amended. All those in favor of advancing the bill, please say aye. Those opposed say no. So ordered. The bill is advanced.

SENATOR CAVANAUGH: I move the adoption of E & R amendments to LB 652.

PRESIDENT: The motion is to adopt the amendments to LB 652. All those in favor of that motion say aye, all right those opposed say no. The amendments are adopted. Surely. Senator Duis.

SENATOR DUIS: I tried to get your attention on this because I would like very much to ask Senator Cavanaugh a question before we adopt the E & R amendments. Senator Cavanaugh, the E & R amendments, since I checked on this are quite vague, and I'm not so sure but what we didn't go back to the word 'greater' instead of the word 'lesser' through the E & R amendment. I wonder if you would be kind enough to hold up on 652 from advancement long enough to figure out whether or not that E & R amendment did not erase the word 'lesser' and put the word 'greater' back in. Would you do that for me please?

SENATOR CAVANAUGH: Fire with me, Senator Duis.

PRESIDENT: We will leave 652 on Select File.

SENATOR CAVANAUGH: It's recorded 1034 in my book, but it isn't on the board.

CLERK: 1034 Friday and 1036

SENATOR CAVANAUGH: O.K.

CLERK: They were expedited bills.

PRESIDENT: Thank you, Senator Cavanaugh

CLERK: That's all Mr. President.

PRESIDENT: Are there any other motions on the desk.

CLERK: None.

PRESIDENT: All right.

C LERK: Negative.

PRESIDENT: Are we ready for consideration of bills on General File?

CLERK: Yes.
